EXPERIENCE

The White House, Office of Presidential Personnel
Vetting Researcher

Washington, D.C.

February 2021 – Present

- Gives strategic support to the White House Senate confirmations process by identifying potential Presidential Appointee vulnerabilities and providing vetting research deliverables to senior White House leadership.
- Develops research products using primary and secondary sources for senior leadership in the Offices of Presidential Personnel, White House General Counsel, and Legislative Affairs.

Biden-Harris Presidential Transition
Vetting Researcher

Washington, D.C.

November 2020 – February 2021

- Vetted potential nominees and appointees to the Biden-Harris Administration by delivering strategic support to the Office of the General Counsel and providing briefing materials supporting the Senate nominations process.

Joe Biden for President
Senior Vetting Analyst

Philadelphia, PA

September 2019 — November 2020

- Advised and provided strategic support to the deputy director of vetting's decision-making process by managing the vetting of over 5500 significant donors, totaling over \$1.5B in contributions, and over 3000 political endorsements.
- Served as the liaison to the Compliance Team as project manager for committee and PAC contributions and as team lead and QuickBase manager for over 1500 vendors and contracts across the campaign.
- Managed a Primary campaign project to vet over 7000 potential DNCC Delegates while serving as the liaison to both the campaign Counsel and Delegates teams.

Arcani Consulting, LLC
Managing Principal Consultant

Birmingham, AL

May 2019 — September 2019

- Aided C-Level executives at three technology firms in understanding the risk from corporate and foreign intelligence gathering by introducing behavioral analytics tools and decreasing investigation time by 70%.

U.S. Army
Senior Intelligence Analyst

Multiple

January 2016 — May 2019

- Prepared and delivered daily classified intelligence briefings to senior military, Department of Defense, and Department of State officials as a U.S. Special Operations Command member.
- Launched a data management and analytics initiative in Afghanistan, which ensured over 5000 threat intelligence assessments and analytics were available to stakeholders across Intelligence Community platforms. The initiative improved risk identification time by 75%.
- Led a team of four while also training and mentoring 25 junior officers on intelligence techniques, tactics, and procedures before they deployed to Syria, Iraq, Jordan, and Afghanistan.
