Meshell J.

Controller, Office of the Chief Financial Officer
Washington DC-Baltimore Area

Summary

I am a results driven, self-motivated and resourceful managing Director with a proven ability to engage Agency partners at all levels to resolve internal and external challenges. Demonstrated ability to manage teams that excel under my leadership and perform at superior levels. Known for my ability to promote and institute innovative solutions to longstanding agency impediments. Possessing excellent communication skills that established sustainable relationships among agency stakeholders.

Experience

US Environmental Protection Agency (EPA)

5 years 5 months

Controller

April 2022 - Present (1 year 7 months)

Washington, United States

Deputy Controller

June 2018 - April 2022 (3 years 11 months)

Washington, District Of Columbia

Acting Director, Office of Technology Solution, Office of the Chief Financial Officer

January 2019 - August 2020 (1 year 8 months)

Washington D.C. Metro Area

Managing the agency's financial and mixed financial systems.

USEPA

9 years 8 months

Director, Policy, Training and Accountability Division

March 2016 - Present (7 years 8 months)

Responsible for developing, managing, and supporting agency-wide accountability for fiscal and managerial results. Work extensively with the Controller to integrate financial policies and procedures, management integrity,

internal controls, risk management, and audit follow-up into the agency's annual processes. Manage and coordinate the agency's compliance with the Federal Managers' Financial Integrity Act (FMFIA), the Inspector General Act Amendments of 1998, respectively, selected provisions of the Chief Financial Officers Act of 1990.

Have direct oversight of two branches: (1) Management Integrity and Accountability Branch; and (2) Policy and Training Branch. In this capacity, direct the formulation and issuance of agency-wide policies, procedures and accounting structures governing the fiscal aspects of Agency activities in order to comply with Federal law, to carry out regulations and directives issued by the central control agencies or to achieve other fiscal objectives determined by Agency management. I work with senior agency officials and external stakeholders to formulate guidance and policies, and general strategies for attaining the goals.

Acting Deputy Director, Office of Financial Management
March 2014 - Present (9 years 8 months)

EPA

Providing cost accounting methodologies to EPA Superfund program

Education

University of Maryland
