

Hannah Katch

(b)(6)

HEALTH CARE AND POLICY EXPERIENCE

Center on Budget and Policy Priorities (Washington, DC)

Senior Health Policy Analyst (2016 – present)

- Serve as a subject matter expert on health policy, including issues related to coverage expansion, Medicaid waivers, delivery system reform, behavioral health, managed care, and women's health
- Work with states, policymakers, and national organizations to support Medicaid and the Affordable Care Act and prevent policies that restrict access to care
- Provide technical assistance to governors and state Medicaid agencies on health care delivery, demonstration design, and the integration of Medicaid, behavioral health, and housing services
- Serve as a key spokesperson to the media, Capitol Hill, and national organizations on health policy; offer strategic and technical guidance to federal and state policymakers on health policy legislation
- Lead a working group of cross-sector experts on Medicaid payment and delivery system reform

Biden for President (Washington, DC)

Policy Volunteer (May – November 2020)

- Led drafting and review of several key Medicaid and delivery system reform policy proposals

National Academy of Social Insurance (Washington, DC)

Elected Member (2018 – present)

- Elected member of the nation's leading academy of social insurance experts

Planned Parenthood of Metropolitan Washington (Washington, DC)

Board Member (2016 – present)

- Oversee operations of the Planned Parenthood affiliate serving Southern Maryland, Washington DC, and Northern Virginia

California Department of Health Care Services (Sacramento, California)

Assistant Deputy Director (2014 – 2016)

- Oversaw state Medicaid benefits for 9 million Californians
- Managed four divisions with a total of 500 state employees
- Administered the state's Medicaid managed care program, long term care programs, and care for children with medical complexity
- Negotiated with the federal Centers for Medicare and Medicaid Services for a \$7 billion renewal of California's 1115 demonstration with groundbreaking policies to address social determinants of health
- Implemented an innovative demonstration project to integrate coverage, coordinate care, and expand benefits for individuals dually-eligible for Medicaid and Medicare
- Developed a new health home program to provide intensive care coordination for Medicaid beneficiaries with chronic physical or behavioral health conditions

U.S. Senate, Office of Senator Al Franken (Washington, DC)

Senior Health Policy Advisor (2010 – 2014)

- Advised Senator Franken, a senior member of the Senate Health, Education, Labor, and Pensions (HELP) Committee, and developed his legislative agenda on health care, food safety, and housing policy; managed the health care and housing legislative teams
- Developed legislation, conducted substantial oversight of the implementation of the Affordable Care Act, and led HELP Committee field hearings
- Developed significant legislation that was enacted into law, including the Drug Quality and Security Act of 2013, key sections of the Food and Drug Administration Safety and Innovation Act of 2012, and the housing title of the Violence Against Women Reauthorization Act of 2013

Center for Health Care Quality, GW Department of Health Policy (Washington, DC)

Research Assistant (2009 – 2010)

- Provided technical support and research for the Aligning Forces for Quality program, a Robert Wood Johnson Foundation program seeking to improve the quality of health care in 17 communities
- Conducted research for the Pfizer Fellowship in Health Disparities; published research findings and presented at the 2009 Academy Health Annual Research Meeting
- Analyzed reports by community health centers that received funding from the American Recovery and Reinvestment Act of 2009 as a grantee of the Health Research and Services Administration

Kaiser Family Foundation (Washington, DC)

Project Assistant (2008)

- Collaborated on a report analyzing state-level data on policies that affect racial health disparities among women in every U.S. state

John Kerry for President (Clackamas County, Oregon)

Regional Field Organizer (2004)

- Recruited and managed over 100 campaign volunteers for the League of Conservation Voters' presidential campaign for John Kerry
