EDUCATIONAL HISTORY

CRNP	1995	University of Pennsylvania School of Nursing, Post-Master's Pediatric Acute/Chronic Care Nurse Practitioner Program
PhD	1992	University of Pennsylvania School of Nursing Philadelphia, PA. Nursing and Health Policy.
MSN	1982	University of Pennsylvania, School of Nursing Philadelphia, PA Perinatal/Neonatal Nursing.
BSN	1979	University of Pittsburgh School of Nursing, Pittsburgh, PA

EMPLOYMENT HISTORY

Jul 2013 – Present	Vice President for Nursing Affairs and Dean, School of Nursing, Oregon Health & Science University.
Jun 2011 – Mar 2013	Interim Provost and Vice President for Academic Affairs, The College of New Jersey. Responsible for leading college-wide strategic planning and implementation initiatives, the division of Academic Affairs, and quality of the academic programs.
Nov 2007 – Jun 2013	Program Director, Robert Wood Johnson Foundation, New Jersey Nursing Initiative: So a Nurse will be There for You, at the NJ Chamber of Commerce. Responsible for strategic plan, implementation and achievement of program goals, serving as primary spokesperson, promoting statewide program activities, and advising the Foundation about new developments and opportunities in the field to address nurse faculty and workforce issues.
Sep 2006 – Jun 2011	Carol Kuser Loser Dean and Professor of Nursing, The College of New Jersey School of Nursing, Health, and Exercise Science, Ewing, NJ. (<i>Endowed deanship through a gift annuity endowment by Tom and Carol Loser</i>)

Jul 2006 – Jun 2011	Dean and Professor of Nursing, The College of New Jersey School of Nursing, Health, and Exercise Science, Ewing, NJ. <i>The school was expanded and re-named.</i>
Jun 2004 – Jun 2011	Dean and Professor, The College of New Jersey School of Nursing, Ewing, NJ. Responsible for the strategic planning, budgeting, accreditation and educational excellence. Collaborated with faculty to achieve the 2004 academic transformation of the nursing curriculum, which included integration of clinical simulation. <i>Promoted to Professor.</i>
Jan 2001 – Jun 2004	Dean and Associate Professor, The College of New Jersey School of Nursing, Ewing, NJ.
Aug 2000 – Jan 2001	Acting Dean, The College of New Jersey School of Nursing, Ewing, NJ
Sep 1996 – Aug 2000	Associate Professor and Coordinator, Family Nurse Practitioner Program, The College of New Jersey School of Nursing, Ewing, NJ. Initial program coordinator for newly created program with responsibility for teaching, leading all aspects of program implementation including identifying faculty, establishing clinical partnerships and preceptor relationships, developing evaluation plan, and obtaining initial accreditation.
Jan 1994 – Jun 2011	Pediatric Nurse Practitioner, High-Risk Clinic, Children's Hospital of Philadelphia, providing primary care and developmental follow-up for infants/children born VLBW from hospital discharge through puberty.
Sep 1993 – 2002	Adjunct Assistant Professor, Perinatal Masters Program, Neonatal Nurse Practitioner Track, University of Pennsylvania School of Nursing, Philadelphia, PA. As a member of the program clinical teaching team provided lectures, planned and graded assignments, led seminars, advised students, and clinically supervised neonatal nurse practitioner students.
Sep 1992 – Aug 1996	Neonatal Clinical Nurse Specialist, Department of OB/Neonatal Nursing, University of Pennsylvania Medical Center, Philadelphia, PA; responsible for development of high-risk discharge management program.
Sep 1989 – Jun 1992	Lecturer, Perinatal Masters Program, University of Pennsylvania School of Nursing, Philadelphia, PA. Provided

	neonatal physiology, pathophysiology, and clinical classroom teaching and supervised neonatal clinical nurse specialist students.
Sep 1988 – May 1989	Teaching Assistant, Perinatal Masters Program, University of Pennsylvania, School of Nursing, Philadelphia, PA
Jan 1988 – Aug 1988	Part-Time Instructor, University of Pennsylvania School of Nursing, Philadelphia, PA
May 1986 – Aug 1988	Nurse Coordinator, Division of Neonatology, Hospital of the University of Pennsylvania, Philadelphia, PA; coordinated follow-up of LBW infants post-discharge through High-risk clinic, providing primary care and developmental follow-up
Sep 1985 – May 1986	Clinical Undergraduate Instructor, University of Pennsylvania, School of Nursing, Philadelphia, PA
1984 - 1989	Staff Nurse, Hospital of the University of Pennsylvania, per diem, Philadelphia, PA
1982 -1985	Perinatal Research Clinical Nurse Specialist, University of Pennsylvania School of Nursing, on a three year randomized clinical trial funded by Robert Wood Johnson Foundation, investigating earlier discharge of LBW infants with home intervention in a transitional care model. (Principal investigator Dr. Dorothy Brooten)
1983 - 1984	Staff Nurse, part-time, NICU, St. Christopher's Hospital for Children, Philadelphia, PA Staff Nurse, part-time, IICU, Children's Hospital of Philadelphia, Philadelphia, PA
Mar 1982 – Oct 1982	Research Assistant, University of Pennsylvania, School of Nursing, Philadelphia, PA
1979 - 1981	Staff Nurse, University of Virginia Hospital, Charlottesville, VA, in level III medical/surgical intensive care nursery. Responsible for leading one, of eight, primary nursing teams. Transport nurse for ambulance and air transport of critically ill newborns.

PROFESSIONAL ACTIVITIES and COMMUNITY SERVICE

American Association of Colleges of Nursing, Board of Directors, member at large, elected 2015, re-elected 2017.

Guest Editor, *Journal of Professional Nursing*, with Beal, J. and Green, A. *Journal of Professional Nursing*, Vol 27, No. 6 (November–December), 2011, special issue on Academic-Practice Partnerships.

Neonatal Editor, the *Journal of Perinatal and Neonatal Nursing*, Lippincott, Williams & Wilkins. Responsible for the entire editorial process for the neonatal section of this quarterly topic-based professional journal aimed at advancing the knowledge of perinatal and neonatal nurses. (December 2004 to present, ending December 2016).

Member, Steering Committee on Education Progression, New Jersey Action Coalition, November 2011 to 2013. The NJ Action Coalition was one of the first five state action coalitions named by the Campaign for the Future of Nursing to implement the recommendations of the IOM and RWJF Report on the Future of Nursing: Leading Change, Advancing Health. Invited members represent education, practice and regulation. The committee is charged with leading the state-wide effort to achieve 80% baccalaureate preparation by 2020.

Reviewer, *Assessment and Care of the Late Preterm Infant*. (2010). AWHONN.

New Jersey State Employment & Training Commission, Health Care Workforce Council, 2010 to 2013. Invited as a nursing workforce expert to serve on newly formed council July 2010 charged with developing a strategic vision and plan for addressing projected health care workforce issues in New Jersey. Report submitted June 2012.

Program Director, Robert Wood Johnson Foundation, New Jersey Nursing Initiative: So a Nurse will be There for You. November 2007- 2013. This program, based at the NJ State Chamber of Commerce Foundation, is focused on assuring that NJ has the diverse nurse faculty necessary to meet the demands of care in the 21st century.

Member, NJ Education Capacity Team, RWJF/AARP/Department of Labor, Nursing Education Capacity Summit, June 26-27, 2008, Washington, DC.

American Association of Colleges of Nursing – Chair, Clinical Nurse Leader Steering Committee 2007- 2012; NJ Grass Roots Liaison, 2004-2007; Master’s Conference Planning Committee 2004-2006; Master’s Conference Planning Committee Chair 2006-2007; Hot Topics Conference Planning Committee 2002-2003.

Vermont Oxford Network 2008-2010, 2011-2013 Collaboratives. Expert faculty for Discharge Management topic group and the only expert nurse faculty member. Led 8 NICU interdisciplinary teams 2008-2010 and currently with 7 teams to improve quality/cost value and outcomes for infants and families.

Member, Mercer County New Jersey Workforce Investment Board Committee on Health and Health Care, 2006 to 2010.

Oregon Action Coalition, Steering Committee member, 2014 to present.
 New Jersey Association of Baccalaureate and Higher Degree Programs – Chair, 2004-2006;
 re-elected 2006-2008.

Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN), Advisory
 Panel on Care for the Near-Term Infant – 2005, 2006 (Invited).

National Institute of Child Health and Human Development workshop, Optimizing Care
 and Outcome at Late-Preterm (Near-Term) Gestations and for Late-Preterm Infants,
 July 18-19, 2005. (Invited participant, one of four nurses).

The Center for Certification Preparation and Review (CCPR), Board of Directors, 2005-
 2011

New Jersey Collaborating Center for Nursing, Education Committee, 2005 to 2008
 (gubernatorial appointment).

March of Dimes, NICU Family Support National Advisory Committee, January 2004 –
 present (Invited)

Johnson & Johnson, Promise for Nursing's Future. Member, Steering committee, for 2003
 and 2005 New Jersey fundraising events.

National Minority Health Month Foundation, Infacare Infant Wellness Initiative: Provider
 Demonstration Project, Technical Advisory Panel member. 2004.

Reviewer, Simpson, K.R. & Creehan, P.A. (2001). AWHONN, Association of Women's
 Health, Obstetric, and Neonatal Nurses, Perinatal Nursing, 2nd ed. Philadelphia:
 Lippincott.

Editorial Board Member, American Journal of Maternal Child Nursing (MCN), 1998 to 2004
 (Invited).

NJ Colleagues in Caring Steering Committee, 2001-2002, representing the Association of
 Baccalaureate and Higher Degree Programs (gubernatorial appointment).

American Nurses Association/New Jersey State Nurses Association; Vice President on
 Policy, Region IV NJSNA 1997-2000

March of Dimes, National Nurse Advisory Council, 1993 - to present (Invited); author and
 content reviewer for education modules since 1987.

AWHONN National Committee on Education, 1997-1998 (Invited).

J. B. Lippincott Company, expert reviewer for educational materials, 1991-1994.

Center for Low Birthweight Research, University of Pennsylvania School of Nursing, Summer Research Institute, 1993, 1994. Associate faculty.

National Infant Mortality Commission, content reviewer for postneonatal mortality section of final report (1988).

First Priority Expert Panel on Prevention and Care of Low Birthweight Infants, National Center for Nursing Research, National Institutes of Health (1988). Co-authored white paper "Postdischarge Services for LBW Infants."

Sigma Theta Tau, International Nursing Honor Society, Xi Chapter; 1st Vice President, Xi Chapter, 1995-1996; President, 1996-1998; Board Member 1998 to 1999. Member, Delta Nu Chapter since 1996.

AWARDS and HONORS

2013	Fellow, American Academy of Nursing
2012	Visionary Leadership Award, Regional/State Nursing Leadership, UMDNJ School of Nursing 20 th Anniversary Awards
2012	Service Award, The Center for Certification Preparation and Review (CCPR)
2009	Phi Kappa Phi honor society
2007	March of Dimes Nurse of the Year, New Jersey Great Race Award for Maternal-Child Health Nursing
2007	Executive Nurse Fellow, Robert Wood Johnson Foundation. 2007-2010 (one of 20 nurses selected from a national applicant pool for executive leadership fellowship)
2002	Leadership for Academic Nursing, Program Fellow. American Association of Colleges of Nursing, sponsored by the Helene Fuld health Trust 2002-2003.
2002	Maternal Child Health Nursing Leadership Award, Central New Jersey Maternal Child Health Consortium
2000	Nursing Diva, New Jersey Institute for Nursing
1982	4.0 GPA
1979	Omicron Delta Kappa, Senior Honorary
1979	Mortar Board Senior Society
1979	Graduated Summa Cum Laude
1978	Sigma Theta Tau International, Nursing Honor Society
1977	Alpha Tau Delta, Nursing Sorority
1976	Phi Eta Sigma, Freshman Honorary

External Funding

Education

Scholarship endowment. Helene Fuld Trust, HSBC. 2008-2011, **\$750,000**. Provided \$300,000 for direct scholarship funds and \$450,000 to endow scholarship funds for undergraduate nursing students.

National Student Nurses' Association Foundation Grant – Development and Implementation of an Orientation Program for adjunct and part-time faculty. 2007-2008, **\$25,000**.

“Community-Based Nursing Education: A School of Nursing – Parish Nursing Model.” 2001-2003. Helene Fuld Trust, HSBC, Trustee. **\$100,000**. Supported the development of a new course-based model of community engaged learning at the College of New Jersey.

Advanced Education Nursing Traineeship. Department of Health and Human Services, Health Resources & Services Administration, (HRSA) Bureau of Health Professions. 2000-2001. **\$22,387**. Provided tuition and educational support to nurse practitioner graduate students.

RESEARCH

Co- Investigator: “Infant Functional Status and Discharge Management.” 2001-2006. Maternal Child Health Bureau, Grant # R40 MC 00236 (Silber, J., Escobar, G., Medoff-Cooper, B., Bakewell-Sachs, S et al.) Funded September 2001-June 30, 2004. Total funding \$1,607,852. This research study focused on identifying clinical markers for discharge and correlation with postdischarge clinical and economic outcomes. (Actively engaged in entire process from proposal development through data collection and analysis; one of two nurse researchers on the interdisciplinary team)

Principal Investigator: "A Meta-Analysis of Risk Factors for Poor Postneonatal Outcome." (Bakewell-Sachs, S.). Funded: International Sigma Theta Tau, \$2500 (1988 - 1994)

Research (Other)

"Current Status and Changes in Family, Child Health, School and Environment in A Group of Children Born Very Low Birthweight." (Bakewell-Sachs, S., Doctoral Dissertation, 1992)

Health Policy Activities

Legislative/Regulatory/Health Policy

- 2012 Invited testimony to the NJ Senate Health Committee on November 19, 2012 on the accomplishments of the NJ Nursing Initiative and requests for support of Faculty Loan Forgiveness, nurse faculty salary increases and financial aid to support seamless progression from associate to baccalaureate degrees.
- 2010 – 2013 Appointed member of the New Jersey State Employment & Training Commission (SETC), Health Care Workforce Council. The Council was created through a HRSA planning grant that the NJ Nursing Initiative program office helped to write. The Council developed recommendations for addressing projected health care workforce issues in New Jersey.
- 2010 Invited testimony to the NJ Senate Health Committee on May 10, 2010 on the nurse faculty shortage and efforts of the NJ Nursing Initiative to address the shortage. The context for the hearing was re-authorization of the NJ Hospital Licensure regulation for which nurse: patient ratios are being considered and the nursing workforce in New Jersey.
- 2009 – 2010 Invited member for the ad hoc NJ Board of Nursing Education Regulation review committee. The committee was charged with reviewing all regulations related to nursing education, the NCSBN model regulations, and the literature and supporting evidence for innovation in nursing education and make recommendations to the NJ Board of Nursing.
- 2009 Invited testimony, NJ Assembly Committee on Higher Education, “The Projected NJ Nursing Workforce and Nurse Faculty Shortage,” emphasizing the need for support for nurse faculty education.
- 2009 Testimony, NJ Senate Committee on Health, Human, and Senior Services, the “New Jersey Nursing Initiative: So a Nurse Will Be There for You.”
- 2009 Invited Nurse expert on Health Care Reform Town Hall conference call for Rep. Rush Holt of New Jersey, July 27, 2009.
- 2007 Testimony, NJ Nurses Association legislative panel, in support of the “BSN in 10” legislation
- 2007 Testimony, Legislative Panel Nurse Faculty Shortage: Useful Strategies

Other Related Policy Activities

- 2004 – 2007 American Association of Colleges of Nursing, NJ Grass Roots Liaison,

responsible for organizing and leading Capital Hill Lobbying for Nursing Education semi-annually

- 2001 – 2002 NJ Colleagues in Caring Steering Committee, 2001-2002, representing the Association of Baccalaureate and Higher Degree Programs. This work resulted in legislation establishing the NJ Collaborating for Nursing in December 2002.
- 1997 – 2000 American Nurses Association/New Jersey State Nurses Association; Vice President on Policy, Region IV NJSNA 1997-2000
- 1998 First Priority Expert Panel on Prevention and Care of Low Birthweight Infants, National Center for Nursing Research, National Institutes of Health. Co-authored white paper “Postdischarge Services for LBW Infants.”
