Wahleah Johns

Executive Director, Native Renewables
Flagstaff, Arizona, United States

Experience

Native Renewables

Founder

September 2016 - Present (7 years)

Oakland, California

Native Renewables mission is to empower Native American families to achieve energy independence by growing renewable energy capacity and affordable access to clean energy. Native Renewables' vision is to leverage clean energy technology to enhance tribal sovereignty and energy independence, while creating sustainable jobs and sustainable wealth in line with traditional values as Indigenous people.

Black Mesa Water Coalition

22 years

Solar Project Coordinator

February 2014 - Present (9 years 7 months)

Northern Arizona and Oakland, CA

Educating tribal communities in northern Arizona about the economic benefits of utility, commercial and residential solar.

Organizer

2001 - Present (22 years)
