### access.mobile International, Inc.

Board Member and Privacy Officer

February 2013 - January 2019 (6 years)

Denver

access.mobile is a digital health company that develops solutions to improve interaction between providers and patients by leveraging the cloud and mobile technologies. I worked closely with the board, executive team, and general counsel on data privacy and regulatory compliance (gap analyses and risk

assessments, guided by NIST SP 800-30), end user licensing agreements (EULAs), privacy policies, due diligence (investors, clients, and vendors), partnership agreements, and intellectual property issues in the U.S. and emerging markets. Established privacy controls guided by NIST SP 800-53 as well as compliance needs and business and customer imperatives. Compliance matters included HIPAA and TCPA in the U.S., POPIA in South Africa, and a little bit of GDPR and its predecessor, the Data Protection Directive.

Served as a board member during seed, angel, validation, and early international growth stages.
