PROFESSIONAL EXPERIENCE

SIDEWALK LABS (An Alphabet Company; Google Sister Company) **Senior Associate, Development**

New York, NY
2018 - Present

Senior Associate specializing in business development and strategic acquisitions to enable the commercial scaling of Sidewalk Labs, an Alphabet company seeking to combine forward-thinking urban design and cutting-edge technology to radically improve urban life.

- Team lead tasked with conception of the economic development thesis and strategy within *Toronto Tomorrow*, a four-volume master development plan to create an inclusive and sustainable “smart city” neighborhood along Toronto’s eastern waterfront.
- Team lead tasked with conducting the quantitative modeling, analysis, and outreach for opportunities and partnerships of Sidewalk Labs’ consideration.
- Team lead tasked with developing conceptual framework for the qualitative “storytelling” exercise of Sidewalk Labs (i.e., articulating through multiple mediums the Sidewalk Labs’ story and evolving approach to urban innovation) and conducting rigorous quantitative analysis (market assessments, studies of economic impact) to provide a robust articulation of intended economic and quality of life impact.

UNITED STATES DEPARTMENT OF THE TREASURY **Special Assistant, Office of the Undersecretary for Domestic Finance**

Washington, DC
2015 -2016

Key policy advisor to Counselor Antonio Weiss, providing critical expertise, recommendations, and support for domestic Department priorities and initiatives. Recipient of the United States Secretary of the Treasury’s Meritorious Service Award in recognition of significant accomplishments and distinguished service during Treasury career.

- Coordinated Department-wide recommendations and written memoranda for Secretary Jacob Lew on domestic policy issues that required agency analysis and response, including: the evolution of fixed income market structure; the fiscal solvency of Commonwealth of Puerto Rico; and the future structure of the housing finance system and related Government Sponsored Enterprise (GSE) frameworks.
- Drafted and reviewed policy documents, procedures, and other informational materials on behalf of Domestic Finance for delivery to Deputy Secretary Sarah Bloom Raskin and Secretary Lew. Materials included overviews and evaluation of urgent department matters such as the “flash crash” of August 24th, 2015; and the status of Department priorities such as curbing “short-termism” within financial markets.
- Provided policy advice to Counselor Weiss for public speeches, op-eds, testimony, and all other public statements pertaining to Domestic Finance issues.
- Managed Domestic Finance workflow of approximately 400 staff across 26 sub-offices.

Policy Analyst, Financial Stability Oversight Council (FSOC)

2013-2015

Coauthored memorandum for Council designation of MetLife Inc., as a nonbank, systemically important financial institution (SIFI), subject to heightened prudential supervision by the Board of Governors of the Federal Reserve System.

- Conducted quantitative analysis of potential systemic risks presented to United States financial stability by qualified nonbank financial institutions, in event of material financial distress. Evaluation was based on institutional size, asset and liability composition, financial market exposure, and capital market activities. This analysis included large corporate entities and real estate investment trusts.
- Led team that assessed activities related systemic risks presented by Fannie Mae and Freddie Mac, to support Council’s evaluation of nonbank entities.

UNITED STATES SENATE COMMITTEE ON BANKING, HOUSING AND URBAN AFFAIRS **Senator Chris Dodd – Chairman (Majority); Senator Tim Johnson – Chairman (Majority);** **Legislative Assistant**

Washington, DC
2010 –2013

Integral policy staffer to the drafting of the Dodd-Frank Wall Street Reform and Consumer Protection Act, Public Law 111-203 (Dodd-Frank Act), legislation to reform financial regulation in wake of 2008 financial crisis. Part of three-member team that wrote and negotiated Title VII and Title VIII of the Dodd-Frank Act, focusing on ensuring transparency, stability, and accountability within the derivatives and clearing markets.

- Monitored and analyzed capital markets events that required urgent congressional oversight and attention, including the 2012 JP Morgan Chase “London Whale” trading loss, LIBOR benchmark rate manipulation, and the loss of customer funds at MF Global.
 - Liaised with Administration officials, policymakers, industry representatives, agency staff, academics, and other interested parties to determine appropriate Committee responses.
 - Authored memoranda for Chairman Dodd and Chairman Johnson to summarize events and provide policy recommendations.
