National Alliance to End Homelessness
Health Policy and Program Analyst
May 2004 - September 2009 (5 years 5 months)

The National Alliance to End Homelessness is a nonprofit organization whose mission is to mobilize the nonprofit, public and private sectors of society in an alliance to end homelessness.

- Track, analyze and create national and state legislation regarding issues such as Medicaid, mental health, substance use treatment and other health related topics
- Assume lead in establishing and maintaining relationships with partner organizations and federal agencies to ensure coordination and collaboration in key health programs serving homeless individuals and families
- Research innovative programs throughout the U.S. and create documents highlighting these programs
- Supervised interns working on health related topics
- Facilitate communication of pertinent issues to Alliance partners and the general public (via newsletter, e-mail, web page, papers, etc.)
- Assist in the planning and implementation of the Alliance Annual Meeting and developing workshops, meetings, and other skills building opportunities

Association of Maternal and Child Health Programs
Senior Policy Analyst
March 2001 - May 2004 (3 years 3 months)

The Association of Maternal and Child Health Programs is a national organization representing state public health leaders and other interested individuals and organizations working to improve the health and well being of women, children, and youth, including those with special health care needs.

- Track, analyze and create national and state legislation and evaluate Medicaid, SCHIP, Managed Care, TANF, oral health, rural health or other federal support services
- Work with members and organizational committees to gather input
- Manage overall budget for service delivery and financing systems activities
- Assume lead in establishing and maintaining relationships with partner organizations and federal agencies
- Serve as liaison with MCHB, HRSA, CMS and other federal agencies
- Facilitate communication of pertinent issues to AMCHP members (via newsletter, e-mail, web page, papers, etc.)
- Assist in the planning and implementation of the AMCHP Annual Meeting

AESOP Enterprise

Legislative Assistant

June 1999 - March 2001 (1 year 10 months)

Aesop Enterprises is an advocacy firm for the Agricultural Research and Extension/Outreach activities at universities around the country.

- Build coalitions with stakeholder organizations to promote education, rural and urban community development, agricultural research, and children/youth legislation
- Compose newsletter that summarized Washington legislative news, write legislative history/progress summaries, send press releases, and initiate grassroots advocacy activities
- Interact with think-tanks, research associations, and policy centers for relevant research and opinion papers
- Meet with various Congressional staff to communicate university priorities and research findings
- Attend briefings by federal agencies and cultivate a relationship with agency employees
