Re: Ethics Undertakings

Dear Mr. Visek:

The purpose of this letter is to describe the steps that I will take to avoid any actual or apparent conflict of interest in the event that I am confirmed for the position of Ambassador to the People's Republic of China. It is my responsibility to understand and comply with commitments outlined in this agreement.

SECTION 1 – GENERAL COMMITMENTS

I am committed to the highest standards of ethical conduct for government officials. If confirmed as Ambassador to the People's Republic of China, as required by the criminal conflicts of interest law at 18 U.S.C. § 208(a), I will not participate personally and substantially in any particular matter in which I know that I have a financial interest directly and predictably affected by the matter, or in which I know that a person whose interests are imputed to me has a financial interest directly and predictably affected by the particular matter, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I understand that the interests of the following persons are imputed to me:

- Any spouse or minor child of mine;
- Any general partner of a partnership in which I am a limited or general partner;
- Any organization in which I serve as an officer, director, trustee, general partner, or employee; and
- Any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

I understand that a heightened prospect of a conflict of interest could exist as to companies that maintain a presence in China, because they may be more likely than other companies to seek official assistance from or make contact with the Embassy or otherwise be affected by policies and engagement implemented by the Embassy. I will remain alert to the possible need for recusal where appropriate.

In the event that an actual or potential conflict of interest arises during my appointment, I will consult with an agency ethics official and take the measures necessary to resolve the conflict, such as recusal from the particular matter or divestiture of an asset.

In addition, I will recuse myself from participation on a case-by-case basis in any particular matter involving specific parties in which I determine that a reasonable person with knowledge of the relevant facts would question my impartiality in that matter, unless I am first authorized to participate, pursuant to the impartiality regulations at 5 C.F.R. Part 2635, Subpart E.

If I have a managed account or otherwise use the services of an investment professional during my appointment, I will direct the account manager or investment professional to obtain my prior approval on a case-by-case basis for the purchase of any assets other than cash, cash equivalents, investment funds that qualify for the regulatory exemption for diversified mutual funds and unit investment trusts at 5 C.F.R. § 2640.201(a), obligations of the United States, or municipal bonds. I will monitor whether the account manager or investment professional is following this direction regarding prior approval.

I understand that as an appointee I will be required to sign the Ethics Pledge (Exec. Order No. 13989) and that I will be bound by it. Among other obligations, I will be required to recuse from particular matters involving specific parties involving my former employer or former clients for a period of two years after I am appointed, with the exception of federal, state and local government.

I will receive a live ethics briefing from a member of the ethics office after my confirmation but not later than 15 days after my appointment pursuant to the ethics program regulation at 5 C.F.R. § 2638.305. Within 90 days of my confirmation, I will submit my Certification of Ethics Agreement Compliance which documents my compliance with this ethics agreement.

I will not modify this ethics agreement without your approval and the approval of the U.S. Office of Government Ethics pursuant to the ethics agreement requirements contained in the financial disclosure regulation at 5 C.F.R. § 2634.803(a)(4).

SECTION 2 – HARVARD UNIVERSITY

Upon confirmation, I will take a two-year, unpaid leave of absence from my position as a Professor of Practice at Harvard University. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of Harvard University, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for either the exemption for employees on leave from institutions of higher learning allowing participation in certain particular matters of general applicability at 5 C.F.R. § 2640.203(b), or another regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

SECTION 3 – ENTEGRIS, INC.

Upon confirmation, I will resign from my position with Entegris, Inc. I receive cash director fees. I also hold unvested restricted stock units and common shares of Entegris, Inc., stock. At resignation, I will forfeit my unvested restricted stock units. As soon as practicable but not later than 90 days after my confirmation, per the State Department's requirement, I will divest my stock in Entegris, Inc. Until I have divested this stock, I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the Entegris, Inc., unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1), or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2). I have verified that I will be able to carry out the divestitures within the timeframe described above. In addition, pursuant to the impartiality regulation at 5 C.F.R. § 2635.502, for a period of one year after my resignation from each of these entities, I will not participate personally and substantially in any particular matter involving specific parties in which I know that entity is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

In addition, pursuant to the impartiality regulation at 5 C.F.R. § 2635.502, I will not participate personally and substantially in any particular matter involving specific parties in which I know a former client of mine through the Cohen Group is a party or represents a party for a period of one year after I last provided service to that client, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

I will retain my position as trustee of my revocable trust. During my appointment to the position of Ambassador, I will not receive any fees for the services that I provide as a trustee. I will not participate personally and substantially in any particular matter that to my knowledge has a direct and predictable effect on the financial interests of the trust, unless I first obtain a written waiver, pursuant to 18 U.S.C. § 208(b)(1) or qualify for a regulatory exemption, pursuant to 18 U.S.C. § 208(b)(2).

SECTION 5 – OTHER DIVESTITURES

I have verified that I will be able to carry out the divestitures within the timeframe described above.

If I rely on a *de minimis* exemption under 5 C.F.R. § 2640.202 with regard to any of my financial interests in securities, I will monitor the value of those interests. If the aggregate value of interests affected by a particular matter increases and exceeds the *de minimis* threshold, I will not participate personally and substantially in the particular matter that to my knowledge has a direct and predictable effect on the interests, unless I first obtain a written waiver pursuant to 18 U.S.C. § 208(b)(1).

I understand that I may be eligible to request a Certificate of Divestiture for qualifying assets and that a Certificate of Divestiture is effective only if obtained prior to divestiture. Regardless of whether I receive a Certificate of Divestiture, I will ensure that all divestitures discussed in this agreement occur within the agreed upon timeframes and that all proceeds are invested in non-conflicting assets. I understand that I must timely submit my request for a Certificate of Divestiture to allow for adequate time for OGE to process the Certificate of Divestiture, and in order to divest assets within the agreed upon timeframe.

I (including my spouse and dependent children if applicable) will not repurchase any asset I was required to divest without consulting with my agency ethics official and the U.S. Office of Government Ethics.
